

# Index to Volume 31, January–June 1998

## INDEX TO SUBJECTS

### A

#### Abstracts

Abstracts. 1998;31:142-6, 289-93, 418-21, 528-32, 657-60, 796-9

New York ACEP Research Forum abstracts. 1998;31:536-8

#### Academic medical centers

Supporting emergency medicine research: developing the infrastructure (Biros et al). 1998;31:188-96 (Special cont.)

#### Accidents, traffic

Commentary: air bags—the changing landscape (Jolly). 1998;31:783-4

Commentary: And who is my neighbor? (Runge). 1998;31:519-20

Commentary: cell phones and the multi-tasking driver (Runge). 1998;31:279-80

Drugs of abuse and alcohol in weekend drivers involved in car crashes in Belgium (Schepens et al). 1998;31:633-7

An end-of-shift tale (Lowry). 1998;31:287-8 (Letter)

National Conference on Medical Indication for Air Bag Disconnection—July 16–18, 1997 (National Highway Traffic Safety Administration). 1998;31:782-3

1996 Motor vehicle occupant safety survey (National Highway Traffic Safety Administration). 1998;31:518-9

Trauma and drunk driving law enforcement (Goldman et al). 1998;31:416-7 (Letter)

Wireless telephones in cars (National Highway Traffic Safety Administration). 1998;31:278-9

#### Acetylcysteine

Management of anaphylactoid reactions to intravenous N-acetylcysteine (Bailey and McGuigan). 1998;31:710-5

#### Acquired immunodeficiency syndrome

Medical care at the California AIDS Ride 3: experiences in event medicine (Friedman et al). 1998;31:219-23 (Brief rep.)

#### Adhesives

Tissue adhesives—revisited (Edlich). 1998;31:106-7 (Editorial)

#### Administrative personnel

Strategies for improving information management in emergency medicine to meet clinical, research, and administrative needs (Cordell et al). 1998;31:172-8 (Special cont.)

#### Adrenal glands

Adrenal function and physiologic stress during acute asthma exacerbation (Cydulka and Emerman). 1998;31:538-61

#### Aeromedical transport

Wings (Hughes). 1998;31:283-4 (Change of shift)

#### Aged

Emergency department use by nursing home residents (Ackermann et al). 1998;31:749-57

Management of elder abuse and neglect (American College of Emergency Physicians). 1998;31:149-50 (Policy statement)

#### Air

Pneumatosis cystoides intestinalis and portal venous air (Crausman and De Palo). 1998;31:286-7 (Letter)

#### Air bags

Commentary: air bags—the changing landscape (Jolly). 1998;31:783-4

National Conference on Medical Indication for Air Bag Disconnection—July 16–18, 1997 (National Highway Traffic Safety Administration). 1998;31:782-3

#### Airway obstruction

Effects of seizure activity on laryngeal airway patency (Leaming et al). 1998;31:537 (New York ACEP Research Forum abstract)

#### Alarms

Night of the sirens: analysis of carbon monoxide-detector experience in suburban Chicago (Bizovi et al). 1998;31:737-40 (Brief rep.)

#### Albuterol

Superiority of ipratropium plus albuterol over albuterol alone in the emergency department management of adult asthma: a randomized clinical trial (Lin et al). 1998;31:208-13

#### Alcohol intoxication

Alcohol-related research and advocacy: much to do, many places to do it! (Hargarten). 1998;31:638-9 (Editorial)

Baseball and beer: an analysis of alcohol consumption patterns among male spectators at major-league sporting events (Wolfe et al). 1998;31:629-32

Drugs of abuse and alcohol in weekend drivers involved in car crashes in Belgium (Schepens et al). 1998;31:633-7

Trauma and drunk driving law enforcement (Goldman et al). 1998;31:416-7 (Letter)

#### American Board of Emergency Medicine

Report of the Task Force on Residency Training Information, American Board of Emergency Medicine (American Board of Emergency Medicine Task Force on Residency Training Information). 1998;31:608-25 (Concepts)

#### American College of Emergency Physicians

Ban on land mines (American College of Emergency Physicians). 1998;31:153 (Policy statement)

Conflict of interest policy (American College of Emergency Physicians). 1998;31:150-2 (Policy statement)

Discontinuing resuscitation in the out-of-hospital setting (American College of Emergency Physicians). 1998;31:152 (Policy statement)

Economic credentialing (American College of Emergency Physicians). 1998;31:153 (Policy statement)

Management of elder abuse and neglect (American College of Emergency Physicians). 1998;31:149-50 (Policy statement)

Medical direction of emergency medical services (American College of Emergency Physicians). 1998;31:152 (Policy statement)

Medical direction of interfacility patient transfers (American College of Emergency Physicians). 1998;31:154 (Policy statement)

Medical staff responsibility for emergency department patients (American College of Emergency Physicians). 1998;31:153 (Policy statement)

Physician medical direction of emergency medical services education programs (American College of Emergency Physicians). 1998;31:153-4 (Policy statement)

#### Ammonium bifluoride; see Fluoride

#### Analgesia

Clinical policy for procedural sedation and analgesia in the emergency department (American College of Emergency Physicians). 1998;31:663-77

#### Anaphylaxis

Management of anaphylactoid reactions to intravenous N-acetylcysteine (Bailey and McGuigan). 1998;31:710-5

#### Anesthesia, local

Pain of local anesthetics: rate of administration and buffering (Scarfone et al). 1998;31:36-40

#### Animal models

Use of the esophageal detector device in a newborn-piglet model (Bechtel et al). 1998;31:344-50

Use of tube condensation as an indicator of endotracheal tube placement (Kelly et al). 1998;31:575-8 (Brief rep.)

Ventilatory strategies affect gas exchange in a pig model of closed-chest cardiac compression (Whitehurst et al). 1998;31:568-74

#### Animals

Animal ER: a lesson in patient-focused care (Mellick). 1998;31:281-3 (Change of shift)

#### Ankle

Efficacy of osteopathic manipulative treatment in emergency department patients with acute ankle sprain (Eisenhart and Gaeta). 1998;31:536-7 (New York ACEP Research Forum abstract)

#### Annals of Emergency Medicine

State of the journal (Waeckerle et al). 1998;31:1-2 (Special commentary)

#### Arm

Regional intravenous infusion of calcium gluconate for hydrofluoric acid burns of the upper extremity (Ryan et al) (Letter). (Graudins et al) (Reply). 1998;31:526-7

#### Arrhythmia

Anomalies of cardiac rate and rhythm in emergency medicine residents while on duty (Oster et al). 1998;31:537-8 (New York ACEP Research Forum abstract)

#### Arteries

Comparison of arterial and venous blood gas values in the

initial emergency department evaluation of patients with diabetic ketoacidosis (Brandenburg and Dire). 1998;31:459-65

# **Asthma**

Adrenal function and physiologic stress during acute asthma exacerbation (Cydulka and Emerman). 1998;31:538-61  
Advances, opportunities, and the new asthma guidelines (Emond et al). 1998;31:590-4 (Special cont.)  
Cocaine use among patients dying with asthma (Howe et al). 1998;31:537 (New York ACEP Research Forum abstract)  
Comparison of intramuscular triamcinolone and oral prednisone in the outpatient treatment of acute asthma: a randomized controlled trial (Schuckman et al). 1998;31:333-8  
Critical pathway for the emergency department management of acute asthma: effect on resource utilization (Goldberg et al). 1998;31:562-7  
1997 National Asthma Education and Prevention Program guidelines: a practical summary for emergency physicians (Emond et al). 1998;31:579-89 (Special cont.)  
Superiority of ipratropium plus albuterol over albuterol alone in the emergency department management of adult asthma: a randomized clinical trial (Lin et al). 1998;31:208-13

# **Atenolol**

Electromechanical dissociation 48 hours after atenolol overdose: usefulness of calcium chloride (Pertoldi et al). 1998;31:777-81 (Case rep.)

# **Atomic clock**

Synchronization of timepieces to the atomic clock in an urban emergency medical services system (Ornato et al). 1998;31:483-7 (Brief rep.)

# **Automobile driving; see also Accidents, traffic**

Drugs of abuse and alcohol in weekend drivers involved in car crashes in Belgium (Schepens et al). 1998;31:633-7  
Trauma and drunk driving law enforcement (Goldman et al). 1998;31:416-7 (Letter)

# **Avian influenza A virus; see Orthomyxovirus type A, avian**

## **B**

# **Bacteremia**

Predictors of occult pneumococcal bacteremia in young febrile children (Kuppermann et al). 1998;31:679-87

# **Bacteria**

Squamous cells as predictors of bacterial contamination in urine samples (Walter et al). 1998;31:455-8

# **Baseballs**

Baseball and beer: an analysis of alcohol consumption patterns among male spectators at major-league sporting events (Wolfe et al). 1998;31:629-32

# **Basilar artery**

Vertebrobasilar distribution stroke mimicking transtentorial herniation (Lipinski and Swanson). 1998;31:640-2 (Case rep.)

# **Baur**

Baseball and beer: an analysis of alcohol consumption patterns among male spectators at major-league sporting events (Wolfe et al). 1998;31:629-32

# **Belgium**

Drugs of abuse and alcohol in weekend drivers involved in car crashes in Belgium (Schepens et al). 1998;31:633-7

# **Bias (epidemiology)**

Alternative to the Science Citation Index impact factor as an assessment of emergency medicine's scientific contributions (Barnaby and Gallagher). 1998;31:78-82  
Evidence of methodologic bias in the derivation of the Science Citation Index impact factor (Gallagher and Barnaby). 1998;31:83-6 (Brief rep.)  
Impact factors and emergency medicine journals (Fontanarosa). 1998;31:107-9 (Editorial)

# **Bicarbonates**

Failure of adjunctive bicarbonate to improve outcome in severe pediatric diabetic ketoacidosis (Green et al). 1998;31:41-8

# **Bicycling**

Medical care at the California AIDS Ride 3: experiences in event medicine (Friedman et al). 1998;31:219-23 (Brief rep.)

# **Bird diseases**

Update: isolation of avian influenza A(H5N1) viruses from human beings—Hong Kong, 1997–1998 (Pollack et al). 1998;31:647-8

# **Birth**

I stood: observations of an emergency physician (Paganussi). 1998;31:521-3 (Change of shift)

# **Blood coagulation tests**

Are coagulation studies used appropriately in the emergency department? (Noels et al). 1998;31:537 (New York ACEP Research Forum abstract)

# **Blood gas analysis**

Comparison of arterial and venous blood gas values in the initial emergency department evaluation of patients with diabetic ketoacidosis (Brandenburg and Dire). 1998;31:459-65  
Ventilatory strategies affect gas exchange in a pig model of closed-chest cardiac compression (Whitehurst et al). 1998;31:568-74

# **Blood pressure**

Emergency department hypertension and regression to the mean (Pitts and Adams). 1998;31:214-8

# **Body temperature**

Hypothermia from realistic fluid resuscitation in a model of hemorrhagic shock (Silbergleit et al). 1998;31:339-43 (Brief rep.)  
Recovery of a 62-year-old man from prolonged cold water submersion (Chochinov et al). 1998;31:127-31 (Case rep.)

# **Book reviews**

Book reviews. 1998;31:147-8, 533-4, 661-2, 800

# **Breast neoplasms**

Shift change (Farkhurst). 1998;31:785-8 (Change of shift)

# **Buffers**

Pain of local anesthetics: rate of administration and buffering (Scarfone et al). 1998;31:36-40

# **Burns**

Regional intravenous infusion of calcium gluconate for hydrofluoric acid burns of the upper extremity (Ryan et al) (Letter); (Graudins et al) (Reply). 1998;31:526-7

## **C**

# **Calcium chloride**

Electromechanical dissociation 48 hours after atenolol overdose: usefulness of calcium chloride (Pertoldi et al). 1998;31:777-81 (Case rep.)

# **Calcium gluconate**

Regional intravenous infusion of calcium gluconate for hydrofluoric acid burns of the upper extremity (Ryan et al) (Letter); (Graudins et al) (Reply). 1998;31:526-7

# **Car crashes; see Accidents, traffic**

# **Carbon monoxide**

Night of the sirens: analysis of carbon monoxide-detector experience in suburban Chicago (Bivovi et al). 1998;31:737-40 (Brief rep.)

# **Carbon monoxide poisoning**

Pulse oximetry gap in carbon monoxide poisoning (Wright) (Letter); (Bozeman) (Reply). 656, 1998;31:525-6

# **Cardiac arrest; see Heart arrest**

# **Cardiac rate; see Heart rate**

# **Cardiac troponin T; see Troponin**

# **Cardiopulmonary resuscitation**

Bolus thrombolytic infusions during CPR for patients with refractory arrest rhythms: outcome of a case series (Tiffany et al). 1998;31:124-6 (Case rep.)  
Commentary: And who is my neighbor? (Runge). 1998;31:519-20  
Discontinuing resuscitation in the out-of-hospital setting (American College of Emergency Physicians). 1998;31:152 (Policy statement)  
Layperson CPR (Braslow and Brennan). 1998;31:654-5 (Letter)  
Randomized, controlled trial of video self-instruction versus traditional CPR training (Tood et al). 1998;31:364-9  
Reappraisal of mouth-to-mouth ventilation (Safar et al). 1998;31:653-4 (Letter)  
Sometimes you gotta cry (Baker). 1998;31:132-3 (Change of shift)

# **Career choice**

Past medical history (Dailey). 1998;31:413 (Change of shift)

# **Carotid sinus**

Comparison of treatment of supraventricular tachycardia by Valsalva maneuver and carotid sinus massage (Lim et al). 1998;31:30-5

# **Case reports**

Case reports. 1998;31:124-31, 406-9, 640-6, 773-81

# **Case-control studies**

Studying injuries with case-control methods in the emergency department (Cummings et al). 1998;31:99-105 (Concepts)

# **CDC Update**

CDC Update. 1998;31:121-3, 410-1, 647-9

# **Cecal diseases**

Cecal hernia: a rare cause of intestinal obstruction (Irving and Shih) (Letter); (Bozeman) (Reply). 1998;31:655-6

# **Cell phones; see Telephones**

# **Centers for Disease Control and Prevention**

Fatal human plague—Arizona and Colorado, 1996 (Cheney). 1998;31:410-1  
Update: isolation of avian influenza A(H5N1) viruses from human beings—Hong Kong, 1997–1998 (Pollack et al). 1998;31:647-8  
Update: *Staphylococcus aureus* with reduced susceptibility to vancomycin—United States, 1997 (Moran). 1998;31:121-3

# **Cerebrovascular disorders**

t-PA in acute ischemic stroke (Zamenick) (Letter); (Kasner and Grotta) (Reply). 1998;31:791-3  
Vertebrobasilar distribution stroke mimicking transtentorial herniation (Lipinski and Swanson). 1998;31:640-2 (Case rep.)

# **Cervical vertebrae**

Interrater reliability of cervical spine injury criteria in patients with blunt trauma (Mahadevan et al). 1998;31:197-201

# **CHAMPUS reform initiative**

Effect of a large managed care program on emergency department use: results from the CHAMPUS reform initiative evaluation (Kravitz et al). 1998;31:741-8

# **Change of shift**

Change of shift. 1998;31:132-5, 281-4, 412-3, 521-3, 650-2, 785-9

# **Charcoal**

Premixed charcoal, iron, and deferoxamine (Chyka) (Letter); (Gomez et al) (Reply). 1998;31:791

# **Chest pain**

Early echocardiography can predict cardiac events in emergency department patients with chest pain (Kontos et al). 1998;31:550-7  
Measurement of cardiac troponin T is an effective method for predicting complications among emergency department patients with chest pain (Sayre et al). 1998;31:539-49  
Usefulness of automated serial 12-lead ECG monitoring during

the initial emergency department evaluation of patients with chest pain (Fesmire et al). 1998;31:3-11

# **Child**

Ammonium bifluoride causes another pediatric death (Klasner et al). 1998;31:525 (Letter)  
Delayed hypoglycemia in a child after ingestion of a single glipizide tablet (Szlattenyi et al). 1998;31:773-6 (Case rep.)  
Education of out-of-hospital emergency medical personnel in pediatrics: report of a National Task Force (Gausche et al). 1998;31:58-64 (Special cont.)  
Failure of adjunctive bicarbonate to improve outcome in severe pediatric diabetic ketoacidosis (Green et al). 1998;31:41-8  
Guidelines for pediatric equipment and supplies for emergency departments (Committee on Pediatric Equipment and Supplies for Emergency Departments of the National Emergency Medical Services for Children Resource Alliance). 1998;31:54-7 (Special cont.)  
Intramuscular ketamine for pediatric sedation in the emergency department: safety profile in 1,022 cases (Green et al). 1998;31:688-97  
Jacob (Beskind). 1998;31:133-5 (Change of shift)  
Pediatric death and fluoride-containing wheel cleaner (Mullins et al). 1998;31:524-5 (Letter)  
Pediatric residents in the emergency department: What is their experience? (Del Beccaro and Shugerman). 1998;31:49-53  
Predictors of occult pneumococcal bacteremia in young febrile children (Kuppermann et al). 1998;31:679-87  
Sometimes you gotta cry (Baker). 1998;31:132-3 (Change of shift)  
When does hypoglycemia develop after sulfonylurea ingestion? (Burkhart). 1998;31:771-2 (Editorial)  
Wings (Hughes). 1998;31:283-4 (Change of shift)

# **Child abuse**

Cinderella's road map (Sills). 1998;31:788-9 (Change of shift)

# **Clinical policies**

Clinical policy for procedural sedation and analgesia in the emergency department (American College of Emergency Physicians). 1998;31:663-77  
Clinical policy for the initial approach to patients presenting with acute blunt trauma (American College of Emergency Physicians). 1998;31:422-54  
Health care guidelines for cruise ship medical facilities (American College of Emergency Physicians). 1998;31:535

# **Closed-chest cardiac compression; see Resuscitation**

# **Cocaine**

Cocaine use among patients dying with asthma (Howe et al). 1998;31:537 (New York ACEP Research Forum abstract)

# **Cold**

Recovery of a 62-year-old man from prolonged cold water submersion (Chochinov et al). 1998;31:127-31 (Case rep.)

# **Collaborative research**

Collaboration in emergency medicine research: a consensus statement (Lewis et al). 1998;31:160-5 (Special cont.)  
Collaboration in emergency medicine research (Zumwalt). 1998;31:297-8

# **Communication**

Emergency department senior house officers' consultation difficulties: implications for training (Williams et al). 1998;31:358-63

# **Community-acquired pneumonia; see Pneumonia**

# **Computed tomography; see Tomography, x-ray computed**

# **Computers**

The benefits of sharing clinical information (Teich). 1998;31:274-6 (Editorial)  
Data Elements for Emergency Department Systems, Release 1.0 (DEEDS): a summary report (DEEDS Writing Committee). 1998;31:264-73 (Special cont.)

Information systems support for emergency medicine (Teich). 1998;31:304-7

Strategies for improving information management in emergency medicine to meet clinical, research, and administrative needs (Cordell et al). 1998;31:172-8 (Special cont.)

# **Concepts**

Concepts. 1998;31:92-105, 391-7, 608-25, 737-40

# **Condensation**

Use of tube condensation as an indicator of endotracheal tube placement (Kelly et al). 1998;31:575-8 (Brief rep.)

# **Conferences**

Proceedings of the Future of Emergency Medicine Research Conference, Part I: executive summary (Ling). 1998;31:155-9 (Special cont.)

# **Conflict of interest**

Conflict of interest policy (American College of Emergency Physicians). 1998;31:150-2 (Policy statement)

# **Consultation; see Referral and consultation**

# **Contrast media**

Diagnosis of intestinal injuries by computed tomography and the use of oral contrast medium (Federle). 1998;31:769-71 (Editorial)

# **Controlled trials, randomized; see Randomized controlled trials**

# **Coronary thrombolysis; see Thrombolytic therapy**

# **Corrections**

Abstract (1997;30:842). 1998;31:141  
Book review (1997;30:844). 1998;31:288  
Comparison of intramuscular triamcinolone and oral prednisone in the outpatient treatment of acute asthma: a randomized controlled trial (Schuckman et al) (1998;31:333-8). 1998;31:795  
Fascicular ventricular tachycardia: an uncommon but distinctive form of ventricular tachycardia (Elswick and Neimann) (1998;31:406-9) (Case rep.) 1998;31:795  
Pediatric cervical spine injury sustained in falls from low heights (Schwartz et al) (1997;30:249-52). 1998;31:141

# **Correspondence**

Correspondence. 1998;31:136-41, 285-8, 414-7, 524-7, 653-6, 790-5

# **Cosmetic appearance; see Esthetics**

# **Costs and cost analysis**

Cost of fosphenytoin (Fierro and Hudak) (Letter); (Marble) (Letter); (Miller) (Reply). 1998;31:137-9  
Economic credentialing (American College of Emergency Physicians). 1998;31:153 (Policy statement)  
Funding strategies for emergency medicine research (Carden et al). 1998;31:179-87 (Special cont.)  
Radiologists' review of radiographs interpreted confidently by emergency physicians infrequently leads to changes in patient management (Lufkin et al). 1998;31:202-7

# **CPR; see Cardiopulmonary resuscitation**

# **Creatine kinase**

Use of troponin T and creatine kinase-MB subunit levels for risk stratification of emergency department patients with possible myocardial ischemia (Green et al). 1998;31:19-29

# **Credentialing**

Economic credentialing (American College of Emergency Physicians). 1998;31:153 (Policy statement)

# **Critical pathways**

Critical pathway for the emergency department management of acute asthma: effect on resource utilization (Goldberg et al). 1998;31:562-7

# **Crotalid venoms**

Thrombocytopenia after rattlesnake envenomation (Rao et al) (Letter); (Bond and Burkhardt) (Reply). 1998;31:139-41

# **Cruise ships; see Ships**

# **Cysts**

Pneumatosis cystoides intestinalis and portal venous air (Crausman and De Palo). 1998;31:286-7 (Letter)

# **D**

# **Dakota Telemedicine System**

Telemedicine revisited (Zafren) (Letter); (Lambrecht) (Reply). 1998;31:791

# **Data Elements for Emergency Department Systems**

The benefits of sharing clinical information (Teich). 1998;31:274-6 (Editorial)  
Data Elements for Emergency Department Systems, Release 1.0 (DEEDS): a summary report (DEEDS Writing Committee). 1998;31:264-73 (Special cont.)

# **Death**

Ammonium bifluoride causes another pediatric death (Klasner et al). 1998;31:525 (Letter)  
Cinderella's road map (Sills). 1998;31:788-9 (Change of shift)  
Cocaine use among patients dying with asthma (Howe et al). 1998;31:537 (New York ACEP Research Forum abstract)  
Death in the emergency department (Olsen et al). 1998;31:758-65 (Review)  
Effects of adding links to "the chain of survival" for prehospital cardiac arrest: a contrast in outcomes in 1975 and 1995 at a single institution (Stratton and Niemann). 1998;31:471-7  
Fatal human plague—Arizona and Colorado, 1996 (Cheney). 1998;31:410-1  
I stood: observations of an emergency physician (Paganussi). 1998;31:521-3 (Change of shift)  
Jacob (Beskind). 1998;31:133-5 (Change of shift)  
Organ procurement in an urban level I emergency department (Henderson et al). 1998;31:466-70  
Pediatric death and fluoride-containing wheel cleaner (Mullins et al). 1998;31:524-5 (Letter)  
Shift change (Parkhurst). 1998;31:785-8 (Change of shift)  
Sometimes you gotta cry (Baker). 1998;31:132-3 (Change of shift)  
Wings (Hughes). 1998;31:283-4 (Change of shift)

Effects of adding links to "the chain of survival" for prehospital cardiac arrest: a contrast in outcomes in 1975 and 1995 at a single institution (Stratton and Niemann). 1998;31:471-7

Fatal human plague—Arizona and Colorado, 1996 (Cheney). 1998;31:410-1

I stood: observations of an emergency physician (Paganussi). 1998;31:521-3 (Change of shift)

Jacob (Beskind). 1998;31:133-5 (Change of shift)

Organ procurement in an urban level I emergency department (Henderson et al). 1998;31:466-70

Pediatric death and fluoride-containing wheel cleaner (Mullins et al). 1998;31:524-5 (Letter)

Shift change (Parkhurst). 1998;31:785-8 (Change of shift)

Sometimes you gotta cry (Baker). 1998;31:132-3 (Change of shift)

Wings (Hughes). 1998;31:283-4 (Change of shift)

# **Death, sudden, cardiac**

EMT defibrillation does not increase survival from sudden cardiac death in a two-tiered urban-suburban EMS system (Sweeney et al). 1998;31:234-40

# **Decision making**

Determining appropriateness of coronary thrombolysis in the emergency department (Schull et al). 1998;31:12-8

# **Deferoxamine**

Premixed charcoal, iron, and deferoxamine (Chyka) (Letter); (Gomez et al) (Reply). 1998;31:791

# **Defibrillation; see Electric countershock**

# **Democratic Republic of Madagascar**

Emergency medicine in Madagascar (Ramalanjaona). 1998;31:766-8 (International rep.)

# **Demographics**

Emergency medicine resident choice of practice location (Steele et al). 1998;31:351-7

# **Dextromethorphan**

"DXM": A new drug of abuse? (Nordt). 1998;31:794-5 (Letter)

# **Diabetic ketoacidosis**

Comparison of arterial and venous blood gas values in the initial emergency department evaluation of patients with diabetic ketoacidosis (Brandenburg and Dire). 1998;31:459-65

Failure of adjunctive bicarbonate to improve outcome in severe pediatric diabetic ketoacidosis (Green et al). 1998;31:41-8

# **D-Dimer**

D-Dimer assay (Smally). 1998;31:416 (Letter)

# **Domestic violence; see Violence**

# **Drowning**

Sometimes you gotta cry (Baker). 1998;31:132-3 (Change of shift)

# **Drug abuse; see Substance abuse**

### Drug hypersensitivity

Management of anaphylactoid reactions to intravenous N-acetylcysteine (Bailey and McGuigan). 1998;31:716-22

### Drug resistance, microbial

Update. *Staphylococcus aureus* with reduced susceptibility to vancomycin—United States, 1997 (Moran). 1998;31:121-3

### Drunkennes; see Alcohol intoxication

## E

### ECG; see Electrocardiography

### Echocardiography

Early echocardiography can predict cardiac events in emergency department patients with chest pain (Kontos et al). 1998;31:550-7

### Economics

Economic credentialing (American College of Emergency Physicians). 1998;31:153 (Policy statement)  
Funding strategies for emergency medicine research (Cardan et al). 1998;31:179-87 (Special cont.)

### Editorials

Editorials. 1998;31:106-10, 274-7, 398-401, 638-9, 769-72

### Education

Layperson CPR (Braslow and Brennan). 1998;31:654-5 (Letter)

### Education, medical

Education of out-of-hospital emergency medical personnel in pediatrics: report of a National Task Force (Gausche et al). 1998;31:58-64 (Special cont.)  
Emergency department senior house officers' consultation difficulties: implications for training (Williams et al). 1998;31:358-63  
Emergency medicine resident choice of practice location (Steele et al). 1998;31:351-7  
Physician medical direction of emergency medical services education programs (American College of Emergency Physicians). 1998;31:153-4 (Policy statement)  
Randomized, controlled trial of video self-instruction versus traditional CPR training (Tood et al). 1998;31:364-9  
Report of the Task Force on Residency Training Information, American Board of Emergency Medicine (American Board of Emergency Medicine Task Force on Residency Training Information). 1998;31:608-25 (Concepts)

### Education, medical, continuing

Advances, opportunities, and the new asthma guidelines (Emond et al). 1998;31:590-4 (Special cont.)  
Death in the emergency department (Olsen et al). 1998;31:758-65 (Review)  
Domestic violence and EMS personnel (Bullock). 1998;31:286 (Letter)  
Field trial of endotracheal intubation by basic EMTs (Sayre et al). 1998;31:228-33  
Intubation by basic EMTs: Lifesaving advance or catastrophic complication? (Spaite). 1998;31:276-7 (Editorial)  
1997 National Asthma Education and Prevention Program guidelines: a practical summary for emergency physicians (Emond et al). 1998;31:579-89 (Special cont.)  
Organ procurement in an urban level I emergency department (Henderson et al). 1998;31:466-70  
Results of a 4-hour endotracheal intubation class for EMT-Basics (Larmon et al). 1998;31:224-7

### Elder abuse

Management of elder abuse and neglect (American College of Emergency Physicians). 1998;31:149-50 (Policy statement)

### Electric countershock

EMT defibrillation does not increase survival from sudden cardiac death in a two-tiered urban-suburban EMS system (Sweeney et al). 1998;31:234-40

### Electrocardiography

ECG abnormality in acute myocardial infarction (Smith) (Letter). (Hollander et al) (Reply). 1998;31:136-7  
Fascicular ventricular tachycardia: an uncommon but distinctive form of ventricular tachycardia (Elswick and Neimann). 1998;31:406-9 (Case rep.)  
Usefulness of automated serial 12-lead ECG monitoring during the initial emergency department evaluation of patients with chest pain (Fesmire et al). 1998;31:3-11

### Electromechanical dissociation

Electromechanical dissociation 48 hours after atenolol overdose: usefulness of calcium chloride (Pertoldi et al). 1998;31:777-81 (Case rep.)

### Emergency medical services, prehospital

Discontinuing resuscitation in the out-of-hospital setting (American College of Emergency Physicians). 1998;31:152 (Policy statement)  
Effects of adding links to "the chain of survival" for prehospital cardiac arrest: a contrast in outcomes in 1975 and 1995 at a single institution (Stratton and Niemann). 1998;31:471-7  
Preclinical intravenous nitroglycerin therapy (Roeggla et al). 1998;31:416 (Letter)  
Race and survival after out-of-hospital cardiac arrest in a suburban community (Chu et al). 1998;31:478-82  
A time-motion study of the emergency medical services turnaround interval (Cone et al). 1998;31:241-6

### Emergency medical services, utilization

Emergency department use by nursing home residents (Ackermann et al). 1998;31:749-57

### Emergency medical technicians

Discontinuing resuscitation in the out-of-hospital setting (American College of Emergency Physicians). 1998;31:152 (Policy statement)  
Education of out-of-hospital emergency medical personnel in pediatrics: report of a National Task Force (Gausche et al). 1998;31:58-64 (Special cont.)  
EMT defibrillation does not increase survival from sudden cardiac death in a two-tiered urban-suburban EMS system (Sweeney et al). 1998;31:234-40  
Field trial of endotracheal intubation by basic EMTs (Sayre et al). 1998;31:228-33  
Intubation by basic EMTs: Lifesaving advance or catastrophic complication? (Spaite). 1998;31:276-7 (Editorial)  
Outcome study of prehospital patients signed out against medical advice by field paramedics (Moss et al). 1998;31:247-50 (Brief rep.)  
Results of a 4-hour endotracheal intubation class for EMT-Basics (Larmon et al). 1998;31:224-7

### Emergency medicine

Alternative to the Science Citation Index impact factor as an assessment of emergency medicine's scientific contributions (Barnaby and Gallagher). 1998;31:78-82  
EMS agenda for the future: where we are ... where we want to be (EMS Agenda for the Future Steering Committee). 1998;31:251-63 (Special cont.)  
Evidence of methodologic bias in the derivation of the Science Citation Index impact factor (Gallagher and Barnaby). 1998;31:83-6 (Brief rep.)  
Impact factors and emergency medicine journals (Fontanarosa). 1998;31:107-9 (Editorial)  
Medical direction of emergency medical services (American College of Emergency Physicians). 1998;31:152 (Policy statement)  
Proceedings of the Future of Emergency Medicine Research Conference, Part I: executive summary (Ling). 1998;31:155-9 (Special cont.)

### Emergency medicine, manpower

Residents' perspective: introduction (Asplin and Waeckerle; McCabe) (Commentary). 1998;31:626-8

A study of the workforce in emergency medicine (Moorhead et al). 1998;31:595-607

### Emotional support; see Social support

### Employee performance appraisal

A survey of methods used to evaluate emergency medicine residents (Ryan et al). 1998;31:538 (New York ACEP Research Forum abstract)

### Endotracheal intubation; see Intubation, intratracheal

### Envenomation; see Venoms

### Epidemiology

Development of new methods to assess the outcomes of emergency care (Cairns et al). 1998;31:166-71 (Special cont.)

### Epiglottitis

Vallecula sign and epiglottitis (Frumkin) (Letter); (Rothrock and Pignatiello) (Letter). 1998;31:139

### Equipment and supplies

Guidelines for pediatric equipment and supplies for emergency departments (Committee on Pediatric Equipment and Supplies for Emergency Departments of the National Emergency Medical Services for Children Resource Alliance). 1998;31:54-7 (Special cont.)  
Use of the esophageal detector device in a newborn-piglet model (Bechtel et al). 1998;31:344-50

### Esophageal detector device

Use of the esophageal detector device in a newborn-piglet model (Bechtel et al). 1998;31:344-50

### Esthetics

Long-term evaluation of cosmetic appearance of repaired lacerations: validation of telephone assessment (Hollander et al). 1998;31:92-8 (Concepts)

### Events, special; see Special events

## F

### Facial injuries

Irrigation in facial and scalp lacerations: Does it alter outcome? (Hollander et al). 1998;31:73-7

### Facial paralysis

Neurologic complications of prochlorperazine (Pesola and Quinto) (Letter); (Seidel and Bhopale) (Reply). 1998;31:285-6

### Fascicular ventricular tachycardia; see Tachycardia

### Fatigue

An end-of-shift tale (Lowry). 1998;31:287-8 (Letter)

### Fentanyl

Randomized, double-blind study on sedatives and hemodynamics during rapid-sequence intubation in the emergency department: the SHRED study (Sivilotti and Ducharme). 1998;31:313-24

### Fever

Predictors of occult pneumococcal bacteremia in young febrile children (Kuppermann et al). 1998;31:679-87

### Financing

Funding strategies for emergency medicine research (Cardan et al). 1998;31:179-87 (Special cont.)  
Further thoughts on research funding (Mulholland). 1998;31:308-11

### Fluid therapy

Hypothermia from realistic fluid resuscitation in a model of hemorrhagic shock (Silbergleit et al). 1998;31:339-43 (Brief rep.)

### Fluoride

Ammonium bifluoride causes another pediatric death (Klasner et al). 1998;31:525 (Letter)  
Pediatric death and fluoride-containing wheel cleaner (Mullins et al). 1998;31:524-5 (Letter)

### Forecasting

EMS agenda for the future: where we are ... where we want to be (EMS Agenda for the Future Steering Committee). 1998;31:251-63 (Special cont.)

# **Fosphenytoin**

Cost of fosphenytoin (Fierro and Hudak) (Letter); (Marble) (Letter); (Miller) (Reply). 1998;31:137-9

# **France**

Emergency medicine in France (Nikkanen et al). 1998;31:116-20 (International rep.)

# **Funding; see Financing**

# **Future; see Forecasting**

# **Future of Emergency Medicine Research Conference**

Collaboration in emergency medicine research (Zumwalt). 1998;31:297-8

Further thoughts on research funding (Mulholland). 1998;31:308-11

Information systems support for emergency medicine (Teich). 1998;31:304-7

More on assessing outcomes of emergency care (Ommaya et al). 1998;31:301-3

Proceedings of the Future of Emergency Medicine Research Conference, Part I: executive summary (Ling). 1998;31:155-9 (Special cont.)

Proceedings of the Future of Emergency Medicine Research Conference, Part II: commentaries (Ling). 1998;31:295-9

Toward assessing outcomes of emergency care (Brook). 1998;31:299-300

# **G**

# **Germany**

Emergency medicine in Germany (Moecke). 1998;31:111-5 (International rep.)

# **Glipizide**

Delayed hypoglycemia in a child after ingestion of a single glipizide tablet (Szlatenyi et al). 1998;31:773-6 (Case rep.)

# **Glottis**

Effects of seizure activity on laryngeal airway patency (Leaming et al). 1998;31:537 (New York ACEP Research Forum abstract)

Glottic positioning of the endotracheal tube tip: a diagnostic dilemma (Werman and Falcone). 1998;31:643-6 (Case rep.)

# **Gloves; see Surgical gloves**

# **Grief**

Jacob (Beskind). 1998;31:133-5 (Change of shift)

Sometimes you gotta cry (Baker). 1998;31:132-3 (Change of shift)

# **Guidelines**

Advances, opportunities, and the new asthma guidelines (Emond et al). 1998;31:590-4 (Special cont.)

Clinical policy for procedural sedation and analgesia in the emergency department (American College of Emergency Physicians). 1998;31:663-77

Clinical policy for the initial approach to patients presenting with acute blunt trauma (American College of Emergency Physicians). 1998;31:422-54

Guidelines for pediatric equipment and supplies for emergency departments (Committee on Pediatric Equipment and Supplies for Emergency Departments of the National Emergency Medical Services for Children Resource Alliance). 1998;31:54-7 (Special cont.)

Health care guidelines for cruise ship medical facilities (American College of Emergency Physicians). 1998;31:535

1997 National Asthma Education and Prevention Program guidelines: a practical summary for emergency physicians (Emond et al). 1998;31:579-89 (Special cont.)

# **H**

# **Health maintenance organizations**

Effect of a large managed care program on emergency department use: results from the CHAMPUS reform initiative evaluation (Kravitz et al). 1998;31:741-8

Managed care and emergency medicine: current experience in California (Johnson) (Letter); (Derlet) (Reply). 1998;31:414-6

# **Health resources**

Critical pathway for the emergency department management of acute asthma: effect on resource utilization (Goldberg et al). 1998;31:562-7

Emergency department use by nursing home residents (Ackermann et al). 1998;31:749-57

Resource-use analysis of a medical toxicology consultation service (Clark et al). 1998;31:705-9

# **Health services needs and demands**

Emergency department fugue (Salomon). 1998;31:412-3 (Change of shift)

# **Heart arrest**

Bolus thrombolytic infusions during CPR for patients with refractory arrest rhythms: outcome of a case series (Tiffany et al). 1998;31:124-6 (Case rep.)

Commentary: And who is my neighbor? (Runge). 1998;31:519-20

Effects of adding links to "the chain of survival" for prehospital cardiac arrest: a contrast in outcomes in 1975 and 1995 at a single institution (Stratton and Niemann). 1998;31:471-7

EMT defibrillation does not increase survival from sudden cardiac death in a two-tiered urban-suburban EMS system (Sweeney et al). 1998;31:234-40

Race and survival after out-of-hospital cardiac arrest in a suburban community (Chu et al). 1998;31:478-82

# **Heart massage**

Comparison of treatment of supraventricular tachycardia by Valsalva maneuver and carotid sinus massage (Lim et al). 1998;31:30-5

# **Heart rate**

Anomalies of cardiac rate and rhythm in emergency medicine residents while on duty (Oster et al). 1998;31:537-8 (New York ACEP Research Forum abstract)

# **Hemodynamics**

Randomized, double-blind study on sedatives and hemodynamics during rapid-sequence intubation in the emergency department: the SHRED study (Sivilotti and Ducharme). 1998;31:313-24

# **Hemorrhagic shock; see Shock, hemorrhagic**

# **Hepatitis C**

Hepatitis C (Morton and Kelen). 1998;31:381-90 (Review)

# **Hernia**

Cecal hernia: a rare cause of intestinal obstruction (Irving and Shih) (Letter); (Bozeman) (Reply). 1998;31:655-6

Vertebrobasilar distribution stroke mimicking transtentorial herniation (Lipinski and Swanson). 1998;31:640-2 (Case rep.)

# **Hong Kong**

Update: isolation of avian influenza A(H5N1) viruses from human beings—Hong Kong, 1997–1998 (Pollack et al). 1998;31:647-8

# **Hospitalization**

Patients hospitalized after initial outpatient treatment for community-acquired pneumonia (Minogue et al). 1998;31:376-80

# **House staff; see Internship and residency**

# **Human plague; see Plague**

# **Hydrofluoric acid**

Regional intravenous infusion of calcium gluconate for hydrofluoric acid burns of the upper extremity (Ryan et al) (Letter); (Graudins et al) (Reply). 1998;31:526-7

# **Hydroxybutyrate**

Clinical course of  $\gamma$ -hydroxybutyrate overdose (Chin et al). 1998;31:716-22 (Brief rep.)

A tale of novel intoxication: a review of the effects of  $\gamma$ -hydroxybutyric acid with recommendations for management (Li et al). 1998;31:729-36 (Review)

A tale of novel intoxication: seven cases of  $\gamma$ -hydroxybutyric acid overdose (Li et al). 1998;31:723-8 (Brief rep.)

# **Hypertension**

Emergency department hypertension and regression to the mean (Pitts and Adams). 1998;31:214-8

# **Hypnotics and sedatives**

Clinical policy for procedural sedation and analgesia in the emergency department (American College of Emergency Physicians). 1998;31:663-77

Intramuscular ketamine for pediatric sedation in the emergency department: safety profile in 1,022 cases (Green et al). 1998;31:688-97

Randomized, double-blind study on sedatives and hemodynamics during rapid-sequence intubation in the emergency department: the SHRED study (Sivilotti and Ducharme). 1998;31:313-24

# **Hypoglycemia**

Delayed hypoglycemia in a child after ingestion of a single glipizide tablet (Szlatenyi et al). 1998;31:773-6 (Case rep.)

When does hypoglycemia develop after sulfonylurea ingestion? (Burkhart). 1998;31:771-2 (Editorial)

# **Hypothermia**

Hypothermia from realistic fluid resuscitation in a model of hemorrhagic shock (Silbergleit et al). 1998;31:339-43 (Brief rep.)

Recovery of a 62-year-old man from prolonged cold water submersion (Chochinov et al). 1998;31:127-31 (Case rep.)

# **I**

# **Incentives**

Survey response incentives (Robertson). 1998;31:527 (Letter)

# **Infant, newborn**

Use of the esophageal detector device in a newborn-piglet model (Bechtel et al). 1998;31:344-50

# **Infection**

Fatal human plague—Arizona and Colorado, 1996 (Cheney). 1998;31:410-1

Hepatitis C (Morton and Kelen). 1998;31:381-90 (Review)

Patients hospitalized after initial outpatient treatment for community-acquired pneumonia (Minogue et al). 1998;31:376-80

Predictors of occult pneumococcal bacteremia in young febrile children (Kuppermann et al). 1998;31:679-87

Reappraisal of mouth-to-mouth ventilation (Safar et al). 1998;31:653-4 (Letter)

Squamous cells as predictors of bacterial contamination in urine samples (Walter et al). 1998;31:455-8

Update: isolation of avian influenza A(H5N1) viruses from human beings—Hong Kong, 1997–1998 (Pollack et al). 1998;31:647-8

Update: *Staphylococcus aureus* with reduced susceptibility to vancomycin—United States, 1997 (Moran). 1998;31:121-3

# **Infection control**

Impact of an expanded emergency department protocol for respiratory isolation in an inner-city hospital (Steenstra and Gaeta). 1998;31:538 (New York ACEP Research Forum abstract)

Irrigation in facial and scalp lacerations: Does it alter outcome? (Hollander et al). 1998;31:73-7

Loss of glove integrity during emergency department procedures (Hansen et al). 1998;31:65-72

Tuberculosis exposure and control in an urban emergency department (Behrman and Shofer). 1998;31:370-5

# **Influenza**

Update: isolation of avian influenza A(H5N1) viruses from human beings—Hong Kong, 1997–1998 (Pollack et al). 1998;31:647-8

# Liver neoplasms

- Shift change (Parkhurst). 1998;31:785-8 (Change of shift)

# Liver transplantation

- Evaluation of orthotopic liver transplant recipients presenting to the emergency department (Savitsky et al). 1998;31:507-17 (Review)

# Local anesthesia; see Anesthesia, local

# M

# Madagascar

- Emergency medicine in Madagascar (Ramalanjaona). 1998;31:766-8 (International rep.)

# Males; see Men

# Managed care programs

- Effect of a large managed care program on emergency department use: results from the CHAMPUS reform initiative evaluation (Kravitz et al). 1998;31:741-8
- Managed care and emergency medicine: current experience in California (Johnson) (Letter); (Derlet) (Reply). 1998;31:414-6

# Manipulation, orthopedic

- Efficacy of osteopathic manipulative treatment in emergency department patients with acute ankle sprain (Eisenhart and Gaeta). 1998;31:536-7 (New York ACEP Research Forum abstract)

# Manpower

- Residents' perspective: introduction (Asplin and Waeckerle); (McCabe) (Commentary). 1998;31:626-8
- A study of the workforce in emergency medicine (Moorhead et al). 1998;31:595-607

# Mass screening

- Comparison of domestic violence screening methods: a pilot study (Furbee et al). 1998;31:495-501

# Medical assistance

- Commentary: And who is my neighbor? (Runge). 1998;31:519-20
- Layperson CPR (Braslow and Brennan). 1998;31:654-5 (Letter)

1996 Motor vehicle occupant safety survey (National Highway Traffic Safety Administration). 1998;31:518-9  
Reappraisal of mouth-to-mouth ventilation (Safar et al). 1998;31:653-4 (Letter)

#### Medical directors

Medical direction of emergency medical services (American College of Emergency Physicians). 1998;31:152 (Policy statement)  
Medical direction of interfacility patient transfers (American College of Emergency Physicians). 1998;31:154 (Policy statement)  
Physician medical direction of emergency medical services education programs (American College of Emergency Physicians). 1998;31:153-4 (Policy statement)

#### Medical records

The benefits of sharing clinical information (Teich). 1998;31:274-6 (Editorial)  
Data Elements for Emergency Department Systems, Release 1.0 (DEEDS): a summary report (DEEDS Writing Committee). 1998;31:264-73 (Special cont.)  
Synchronization of timepieces to the atomic clock in an urban emergency medical services system (Ornato et al). 1998;31:483-7 (Brief rep.)

#### Medical staff

Medical staff responsibility for emergency department patients (American College of Emergency Physicians). 1998;31:153 (Policy statement)

#### Melatonin

Does exogenous melatonin improve day sleep or night alertness in emergency physicians working night shifts? (Jorgensen and Witting). 1998;31:699-704

#### Men

Baseball and beer: an analysis of alcohol consumption patterns among male spectators at major-league sporting events (Wolfe et al). 1998;31:629-32

#### Midazolam

Randomized, double-blind study on sedatives and hemodynamics during rapid-sequence intubation in the emergency department: the SHRED study (Sivilotti and Ducharme). 1998;31:313-24

#### Moon

Superstitions in medicine: Bad luck or bad logic? (Vinson). 1998;31:650-2 (Change of shift)

#### Mouth-to-mouth resuscitation; see Cardiopulmonary resuscitation

#### Myocardial infarction

ECG abnormality in acute myocardial infarction (Smith) (Letter); (Hollander et al) (Reply). 1998;31:136-7  
Measurement of cardiac troponin T is an effective method for predicting complications among emergency department patients with chest pain (Sayre et al). 1998;31:539-49

#### Myocardial ischemia

Determining appropriateness of coronary thrombolysis in the emergency department (Schull et al). 1998;31:12-8  
Early echocardiography can predict cardiac events in emergency department patients with chest pain (Kontos et al). 1998;31:550-7  
Use of troponin T and creatine kinase-MB subunit levels for risk stratification of emergency department patients with possible myocardial ischemia (Green et al). 1998;31:19-29  
Usefulness of automated serial 12-lead ECG monitoring during the initial emergency department evaluation of patients with chest pain (Fesmire et al). 1998;31:3-11

## N

#### National Asthma Education and Prevention Program

Advances, opportunities, and the new asthma guidelines (Emond et al). 1998;31:590-4 (Special cont.)  
1997 National Asthma Education and Prevention Program

guidelines: a practical summary for emergency physicians (Emond et al). 1998;31:579-89 (Special cont.)

#### National Highway Traffic Safety Administration

Commentary: air bags—the changing landscape (Jolly). 1998;31:783-4  
Commentary: And who is my neighbor? (Runge). 1998;31:519-20  
Commentary: cell phones and the multi-tasking driver (Runge). 1998;31:279-80  
National Conference on Medical Indication for Air Bag Disconnection—July 16-18, 1997 (National Highway Traffic Safety Administration). 1998;31:782-3  
1996 Motor vehicle occupant safety survey (National Highway Traffic Safety Administration). 1998;31:518-9  
Wireless telephones in cars (National Highway Traffic Safety Administration). 1998;31:278-9

#### Near drowning

Recovery of a 62-year-old man from prolonged cold water submersion (Chochinov et al). 1998;31:127-31 (Case rep.)

#### Nicaragua

Growing pains: status of emergency medicine in Nicaragua (Gaïtan et al). 1998;31:402-5 (International rep.)

#### Night care

An end-of-shift tale (Lowry). 1998;31:287-8 (Letter)

#### Night shift

Does exogenous melatonin improve day sleep or night alertness in emergency physicians working night shifts? (Jorgensen and Witting). 1998;31:699-704

#### Nitroglycerin

Preclinical intravenous nitroglycerin therapy (Roeggla et al). 1998;31:416 (Letter)

#### Nursing

How do physicians and nurses spend their time in the emergency department? (Hollingsworth et al). 1998;31:87-91 (Brief rep.)

#### Nursing homes

Emergency department use by nursing home residents (Ackermann et al). 1998;31:749-57

## O

#### Observer variation

Interrater reliability of cervical spine injury criteria in patients with blunt trauma (Mahadevan et al). 1998;31:197-201

#### Oil of wintergreen

Oil of wintergreen overdose (Hofman et al). 1998;31:793-4 (Letter)

#### Organ procurement

Organ procurement in an urban level I emergency department (Henderson et al). 1998;31:466-70

#### Orthomyxovirus type A, avian

Update: isolation of avian influenza A(H5N1) viruses from human beings—Hong Kong, 1997-1998 (Pollack et al). 1998;31:647-8

#### Orthotopic transplantation; see Transplantation

#### Osteopathic manipulation; see Manipulation, orthopedic

#### Outcomes assessment

Development of new methods to assess the outcomes of emergency care (Cairns et al). 1998;31:166-71 (Special cont.)  
Effects of adding links to "the chain of survival" for prehospital cardiac arrest: a contrast in outcomes in 1975 and 1995 at a single institution (Stratton and Niemann). 1998;31:471-7  
More on assessing outcomes of emergency care (Ommaya et al). 1998;31:301-3  
Outcome study of prehospital patients signed out against medical advice by field paramedics (Moss et al). 1998;31:247-50 (Brief rep.)

Toward assessing outcomes of emergency care (Brook). 1998;31:299-300

#### Out-of-hospital care; see Emergency medical services, prehospital

#### Out-of-hospital emergency medical personnel; see Emergency medical technicians

#### Overdose; see Poisoning

#### Oximetry

Pulse oximetry gap in carbon monoxide poisoning (Wright) (Letter); (Bozeman) (Reply). 656, 1998;31:525-6

## P

#### Pain

Pain of local anesthetics: rate of administration and buffering (Scarfone et al). 1998;31:36-40

#### Paramedics; see Emergency medical technicians

#### Partial thromboplastin time

Are coagulation studies used appropriately in the emergency department? (Noels et al). 1998;31:537 (New York ACEP Research Forum abstract)

#### Patient care

Animal ER: a lesson in patient-focused care (Mellick). 1998;31:281-3 (Change of shift)  
Emergency department fugue (Salomon). 1998;31:412-3 (Change of shift)  
How do physicians and nurses spend their time in the emergency department? (Hollingsworth et al). 1998;31:87-91 (Brief rep.)  
Past medical history (Dailey). 1998;31:413 (Change of shift)  
Shift change (Parkhurst). 1998;31:785-8 (Change of shift)

#### Patient care management

Radiologists' review of radiographs interpreted confidently by emergency physicians infrequently leads to changes in patient management (Lufkin et al). 1998;31:202-7

#### Patient discharge

Outcome study of prehospital patients signed out against medical advice by field paramedics (Moss et al). 1998;31:247-50 (Brief rep.)

#### Patient isolation

Impact of an expanded emergency department protocol for respiratory isolation in an inner-city hospital (Steenstra and Gaeta). 1998;31:538 (New York ACEP Research Forum abstract)

#### Patient satisfaction

Long-term evaluation of cosmetic appearance of repaired lacerations: validation of telephone assessment (Hollander et al). 1998;31:92-8 (Concepts)

#### Patient transfer

Medical direction of interfacility patient transfers (American College of Emergency Physicians). 1998;31:154 (Policy statement)

#### Pediatrics; see Child; Infant, newborn

#### Performance evaluation; see Employee performance appraisal

#### Phenytoin

Cost of fosphenytoin (Fierro and Hudak) (Letter); (Marble) (Letter); (Miller) (Reply). 1998;31:137-9

#### Physicians

How do physicians and nurses spend their time in the emergency department? (Hollingsworth et al). 1998;31:87-91 (Brief rep.)  
Medical direction of emergency medical services (American College of Emergency Physicians). 1998;31:152 (Policy statement)  
Medical direction of interfacility patient transfers (American College of Emergency Physicians). 1998;31:154 (Policy statement)  
Physician medical direction of emergency medical services

education programs (American College of Emergency Physicians). 1998;31:153-4 (Policy statement)  
Radiologists' review of radiographs interpreted confidently by emergency physicians infrequently leads to changes in patient management (Lufkin et al). 1998;31:202-7

**Piglet model; see Animal models**

**Plague**

Fatal human plague—Arizona and Colorado, 1996 (Cheney). 1998;31:410-1

**Plasminogen activator, tissue-type**

t-PA in acute ischemic stroke (Zemenick) (Letter); (Kasner and Grotta) (Reply). 1998;31:792-3

**Pneumatisis cystoides intestinalis**

Pneumatisis cystoides intestinalis and portal venous air (Crausman and De Palo). 1998;31:286-7 (Letter)

**Pneumococcal infections**

Predictors of occult pneumococcal bacteremia in young febrile children (Kuppermann et al). 1998;31:679-87

**Pneumonia**

Patients hospitalized after initial outpatient treatment for community-acquired pneumonia (Minogue et al). 1998;31:376-80

**Poisoning**

Ammonium bifluoride causes another pediatric death (Klasner et al). 1998;31:525 (Letter)

Clinical course of  $\gamma$ -hydroxybutyrate overdose (Chin et al). 1998;31:716-22 (Brief rep.)

Delayed hypoglycemia in a child after ingestion of a single glipizide tablet (Sziatényi et al). 1998;31:773-6 (Case rep.)

Electromechanical dissociation 48 hours after atenolol overdose: usefulness of calcium chloride (Pertoldi et al). 1998;31:777-81 (Case rep.)

Night of the sirens: analysis of carbon monoxide-detector experience in suburban Chicago (Bizovi et al). 1998;31:737-40 (Brief rep.)

Oil of wintergreen overdose (Hofman et al). 1998;31:793-4 (Letter)

Pediatric death and fluoride-containing wheel cleaner (Mullins et al). 1998;31:524-5 (Letter)

Pulse oximetry gap in carbon monoxide poisoning (Wright) (Letter); (Bozeman) (Reply). 1998;31:525-6

A tale of novel intoxication: a review of the effects of  $\gamma$ -hydroxybutyric acid with recommendations for management (Li et al). 1998;31:729-36 (Review)

A tale of novel intoxication: seven cases of  $\gamma$ -hydroxybutyric acid overdose (Li et al). 1998;31:723-8 (Brief rep.)

When does hypoglycemia develop after sulfonylurea ingestion? (Burkhart). 1998;31:771-2 (Editorial)

**Police**

Failure of the mandatory domestic violence reporting law to increase medical facility referral to police (Sachs et al). 1998;31:488-94

**Policies**

Clinical policy for procedural sedation and analgesia in the emergency department (American College of Emergency Physicians). 1998;31:663-77

Clinical policy for the initial approach to patients presenting with acute blunt trauma (American College of Emergency Physicians). 1998;31:422-54

Health care guidelines for cruise ship medical facilities (American College of Emergency Physicians). 1998;31:535

**Policy statements**

Ban on land mines (American College of Emergency Physicians). 1998;31:153 (Policy statement)

Conflict of interest policy (American College of Emergency Physicians). 1998;31:150-2 (Policy statement)

Discontinuing resuscitation in the out-of-hospital setting (American College of Emergency Physicians). 1998;31:152 (Policy statement)

Economic credentialing (American College of Emergency Physicians). 1998;31:153 (Policy statement)

Management of elder abuse and neglect (American College of Emergency Physicians). 1998;31:149-50 (Policy statement)

Medical direction of emergency medical services (American College of Emergency Physicians). 1998;31:152 (Policy statement)

Medical direction of interfacility patient transfers (American College of Emergency Physicians). 1998;31:154 (Policy statement)

Medical staff responsibility for emergency department patients (American College of Emergency Physicians). 1998;31:153 (Policy statement)

Physician medical direction of emergency medical services education programs (American College of Emergency Physicians). 1998;31:153-4 (Policy statement)

**Portal vein**

Pneumatisis cystoides intestinalis and portal venous air (Crausman and De Palo). 1998;31:286-7 (Letter)

**Practice location; see Professional practice location**

**Prednisone**

Comparison of intramuscular triamcinolone and oral prednisone in the outpatient treatment of acute asthma: a randomized controlled trial (Schuckman et al). 1998;31:333-8

**Pre-hospital care; see Emergency medical services, prehospital**

**Prochlorperazine**

Neurologic complications of prochlorperazine (Pesola and Quinto) (Letter); (Seidel and Bhopale) (Reply). 1998;31:285-6

**Professional practice location**

Emergency medicine resident choice of practice location (Steele et al). 1998;31:351-7

**Programmed instruction**

Randomized, controlled trial of video self-instruction versus traditional CPR training (Tood et al). 1998;31:364-9

**Prothrombin time**

Are coagulation studies used appropriately in the emergency department? (Noels et al). 1998;31:537 (New York ACEP Research Forum abstract)

**Psychology**

A comparison of the psychological impact of an initial versus subsequent emergency medicine (EM) rotation amongst housestaff (Alagappan et al). 1998;31:536 (New York ACEP Research Forum abstract)

Night of the sirens: analysis of carbon monoxide-detector experience in suburban Chicago (Bizovi et al). 1998;31:737-40 (Brief rep.)

Race and survival after out-of-hospital cardiac arrest in a suburban community (Chu et al). 1998;31:478-82

### Sudden cardiac death; see Death, sudden, cardiac

### Sulfonylurea compounds

Delayed hypoglycemia in a child after ingestion of a single glipizide tablet (Szlattenyi et al). 1998;31:773-6 (Case rep.)  
When does hypoglycemia develop after sulfonylurea ingestion? (Burkhart). 1998;31:771-2 (Editorial)

### Superstitions

Superstitions in medicine: Bad luck or bad logic? (Vinson). 1998;31:650-2 (Change of shift)

### Supraventricular tachycardia; see Tachycardia, supraventricular

### Surgical gloves

Loss of glove integrity during emergency department procedures (Hansen et al). 1998;31:65-72

### Surveys

A survey of methods used to evaluate emergency medicine residents (Ryan et al). 1998;31:538 (New York ACEP Research Forum abstract)  
Survey response incentives (Robertson). 1998;31:527 (Letter)

### Survival

Effects of adding links to "the chain of survival" for prehospital cardiac arrest: a contrast in outcomes in 1975 and 1995 at a single institution (Stratton and Niemann). 1998;31:471-7  
Race and survival after out-of-hospital cardiac arrest in a suburban community (Chu et al). 1998;31:478-82

## T

### Tachycardia

Fascicular ventricular tachycardia: an uncommon but distinctive form of ventricular tachycardia (Elsweiss and Neimann). 1998;31:406-9 (Case rep.)

### Tachycardia, supraventricular

Comparison of treatment of supraventricular tachycardia by Valsalva maneuver and carotid sinus massage (Lim et al). 1998;31:30-5

### Telemedicine

Telemedicine revisited (Zafren) (Letter); (Lambrecht) (Reply). 1998;31:791

### Telephone

Long-term evaluation of cosmetic appearance of repaired lacerations: validation of telephone assessment (Hollander et al). 1998;31:92-8 (Concepts)  
Wireless telephones in cars (National Highway Traffic Safety Administration). 1998;31:278-9

### Telephones

Commentary: cell phones and the multi-tasking driver (Runge). 1998;31:279-80

### Thiopental

Randomized, double-blind study on sedatives and hemodynamics during rapid-sequence intubation in the emergency department: the SHRED study (Sivilotti and Ducharme). 1998;31:313-24

### Thrombocytopenia

Thrombocytopenia after rattlesnake envenomation (Rao et al) (Letter). (Bond and Burkhardt) (Reply). 1998;31:139-41

### Thrombolytic therapy

Bolus thrombolytic infusions during CPR for patients with

refractory arrest rhythms: outcome of a case series (Tiffany et al). 1998;31:124-6 (Case rep.)  
Determining appropriateness of coronary thrombolysis in the emergency department (Schull et al). 1998;31:12-8

# **Thrombosis**

D-Dimer assay (Smally). 1998;31:416 (Letter)

# **Time and motion studies**

A time-motion study of the emergency medical services turnaround interval (Cone et al). 1998;31:241-6

# **Time factors**

How do physicians and nurses spend their time in the emergency department? (Hollingsworth et al). 1998;31:87-91 (Brief rep.)  
Synchronization of timepieces to the atomic clock in an urban emergency medical services system (Ornato et al). 1998;31:483-7 (Brief rep.)

A time-motion study of the emergency medical services turnaround interval (Cone et al). 1998;31:241-6

# **Tissue adhesives**

Tissue adhesives—revisited (Edlich). 1998;31:106-7 (Editorial)

# **Tomography, x-ray computed**

Diagnosis of intestinal injuries by computed tomography and the use of oral contrast medium (Federle). 1998;31:769-71 (Editorial)

# **Tonsillitis**

Vallecula sign and epiglottitis (Frumkin) (Letter); (Rothrock and Pignatiello) (Letter). 1998;31:139

# **Toxicology**

Resource-use analysis of a medical toxicology consultation service (Clark et al). 1998;31:705-9

**t-PA; see Plasminogen activator, tissue-type**

**Tracheal intubation; see Intubation, intratracheal**

**Training; see Education, medical**

# **Transplantation**

Evaluation of orthotopic liver transplant recipients presenting to the emergency department (Savitsky et al). 1998;31:507-17 (Review)

# **Transportation of patients**

Wings (Hughes). 1998;31:283-4 (Change of shift)

**Transtentorial herniation; see Hernia**

# **Treatment refusal**

Outcome study of prehospital patients signed out against medical advice by field paramedics (Moss et al). 1998;31:247-50 (Brief rep.)

# **Triamcinolone**

Comparison of intramuscular triamcinolone and oral prednisone in the outpatient treatment of acute asthma: a randomized controlled trial (Schuckman et al). 1998;31:333-8

# **Troponin**

Measurement of cardiac troponin T is an effective method for predicting complications among emergency department patients with chest pain (Sayre et al). 1998;31:539-49  
Use of troponin T and creatine kinase-MB subunit levels for risk stratification of emergency department patients with possible myocardial ischemia (Green et al). 1998;31:19-29

# **Tube condensation**

Use of tube condensation as an indicator of endotracheal tube placement (Kelly et al). 1998;31:575-8 (Brief rep.)

# **Tuberculosis**

Tuberculosis exposure and control in an urban emergency department (Behrman and Shofer). 1998;31:370-5

**Turnaround interval; see Time factors**

# **U**

**Upper extremity; see Arm**

# **Urban health**

Impact of an expanded emergency department protocol for respiratory isolation in an inner-city hospital (Steenstra and Gaeta). 1998;31:538 (New York ACEP Research Forum abstract)

Organ procurement in an urban level I emergency department (Henderson et al). 1998;31:466-70

Synchronization of timepieces to the atomic clock in an urban emergency medical services system (Ornato et al). 1998;31:483-7 (Brief rep.)

Tuberculosis exposure and control in an urban emergency department (Behrman and Shofer). 1998;31:370-5

# **Urinary tract infections**

Squamous cells as predictors of bacterial contamination in urine samples (Walter et al). 1998;31:455-8

# **Urine**

Squamous cells as predictors of bacterial contamination in urine samples (Walter et al). 1998;31:455-8

# **V**

# **Vallecula sign**

Vallecula sign and epiglottitis (Frumkin) (Letter); (Rothrock and Pignatiello) (Letter). 1998;31:139

# **Valsalva maneuver**

Comparison of treatment of supraventricular tachycardia by Valsalva maneuver and carotid sinus massage (Lim et al). 1998;31:30-5

# **Vancomycin**

Update: *Staphylococcus aureus* with reduced susceptibility to vancomycin—United States, 1997 (Moran). 1998;31:121-3

# **Veins**

Comparison of arterial and venous blood gas values in the initial emergency department evaluation of patients with diabetic ketoacidosis (Brandenburg and Dire). 1998;31:459-65

# **Venoms**

Thrombocytopenia after rattlesnake envenomation (Rao et al) (Letter); (Bond and Burkhart) (Reply). 1998;31:139-41

# **Ventilation**

Layperson CPR (Braslow and Brennan). 1998;31:654-5 (Letter)  
Reappraisal of mouth-to-mouth ventilation (Safar et al). 1998;31:653-4 (Letter)

Ventilatory strategies affect gas exchange in a pig model of closed-chest cardiac compression (Whitehurst et al). 1998;31:568-74

**Ventricular tachycardia; see Tachycardia**

# **Vertebral artery**

Vertebrobasilar distribution stroke mimicking transtentorial herniation (Lipinski and Swanson). 1998;31:640-2 (Case rep.)

# **Veterinary medicine**

Animal ER: a lesson in patient-focused care (Mellick). 1998;31:281-3 (Change of shift)

# **Video**

Randomized, controlled trial of video self-instruction versus traditional CPR training (Tood et al). 1998;31:364-9

# **Violence**

Ban on land mines (American College of Emergency Physicians). 1998;31:153 (Policy statement)

Comparison of domestic violence screening methods: a pilot study (Furbee et al). 1998;31:495-501

Domestic violence and EMS personnel (Bullock). 1998;31:286 (Letter)

Emergency department-based study of risk factors for acute injury from domestic violence against women (Kyriacou et al). 1998;31:502-6 (Brief rep.)

Failure of the mandatory domestic violence reporting law to increase medical facility referral to police (Sachs et al). 1998;31:488-94

Management of elder abuse and neglect (American College of Emergency Physicians). 1998;31:149-50 (Policy statement)

# **W**

# **War**

Ban on land mines (American College of Emergency Physicians). 1998;31:153 (Policy statement)

# **Wintergreen**

Oil of wintergreen overdose (Hofman et al). 1998;31:793-4 (Letter)

**Wireless telephones; see Telephones**

# **Women**

Emergency department-based study of risk factors for acute injury from domestic violence against women (Kyriacou et al). 1998;31:502-6 (Brief rep.)

# **Workforce**

Residents' perspective: introduction (Asplin and Waacklerle); (McCabe) (Commentary). 1998;31:626-8

A study of the workforce in emergency medicine (Moorhead et al). 1998;31:595-607

**Wounds and injuries; see also Injury prevention**

Clinical policy for the initial approach to patients presenting with acute blunt trauma (American College of Emergency Physicians). 1998;31:422-54

I stood: observations of an emergency physician (Paganuss). 1998;31:521-3 (Change of shift)

Interrater reliability of cervical spine injury criteria in patients with blunt trauma (Mahadevan et al). 1998;31:197-201

Irrigation in facial and scalp lacerations: Does it alter outcome? (Hollander et al). 1998;31:73-7

Long-term evaluation of cosmetic appearance of repaired lacerations: validation of telephone assessment (Hollander et al). 1998;31:92-8 (Concepts)

Regional intravenous infusion of calcium gluconate for hydrofluoric acid burns of the upper extremity (Ryan et al) (Letter); (Gaudins et al) (Reply). 1998;31:526-7

Studying injuries with case-control methods in the emergency department (Cummings et al). 1998;31:99-105 (Concept)

Tissue adhesives—revisited (Edlich). 1998;31:106-7 (Editorial)

Trauma and drunk driving law enforcement (Goldman et al). 1998;31:416-7 (Letter)

# **Y**

# **Yersinia pestis**

Fatal human plague—Arizona and Colorado, 1996 (Cheney). 1998;31:410-1

# **INDEX TO AUTHORS**

## **A**

- Aaron CK (see Graudins et al). 1998;31:526-7 (Letter reply)
